

**COWICHAN VALLEY REGIONAL DISTRICT  
ENGINEERING SERVICES**

**ADDENDUM NUMBER 2**

**SOLID WASTE EXPORT – TRUCKING COMPONENT  
RFP NO. ES-027-16  
January 6, 2017**

---

This Addendum shall be read in conjunction with and considered as an integral part of the Request for Proposals. Submitted Proposals shall include all items of this Addendum.

No consideration will be allowed for any extra due to any Proponent not being familiar with the contents of this Addendum.

RECEIPT OF THIS ADDENDUM MUST BE ACKNOWLEDGED BY PRINTING AND ATTACHING A COPY OF THIS ADDENDUM TO THE PROPONENT PROPOSAL FOR RFP NO. ES-027-16.

The Addendum is as follows:

**Questions:**

1. Regarding Section 5.9, Subsection 2c, please clarify what you are looking for in the way of documentation as it relates to our professional drivers and fully licensed, insured and maintained equipment.
2. Regarding Section 5.9, Subsection 4, we can supply our current National Safety Code profile but we are unsure of what past compliance records you want.

**Answers:**

1. The CVRD requires names and driver abstracts for all drivers that will be providing service under an Agreement resulting from this RFP.

In addition, the successful Proponent must have insurance for the equipment that will be used to transport the rail containers to and from Bings Creek Recycling Facility and the TMS Facility and must meet the requirements set out in Section 6.11 – *Insurance Requirements* of this RFP.

2. Please provide the National Transportation Safety Code (NTSC) number and the most recent safety rating status. The CVRD reserves the right to request Proponents to provide their NTSC profile if determined necessary.
