ADDENDUM NUMBER 1

**TIRE SUPPLY & TIRE SERVICES FOR RECYCLING & WATSE MANAGEMENT DIVISION
RFQ NO. ES-002-17
March 27, 2017**

This Addendum shall be read in conjunction with and considered as an integral part of the Request for Quotations. Submitted Quotations shall include all items of this Addendum.

No consideration will be allowed for any extra due to any Proponent not being familiar with the contents of this Addendum.

RECEIPT OF THIS ADDENDUM MUST BE ACKNOWLEDGED BY PRINTING AND ATTACHING A COPY OF THIS ADDENDUM TO THE PROPONENT PROPOSAL FOR RFQ NO. ES-002-17.

The Addendum is as follows:

Questions:

1. On page 18 state for retread price, are you wanted price on a retread and tire casing, or price on retreading your own casings?
2. On page 20, to confirm most of the prices are listed as an hourly rate, but we charge a unit price, this will be accepted?
3. For mobile service calls, how should prices be shown?

Answers:

1. Proponents should provide a price on retread as well as on tire casings.
2. All proponents should provide **unit rates** instead of hourly rates, as it is understood that it is more common within the industry to price service on unit rates. A revised Price for Services sheet has been enclosed with this Addendum (see Appendix A).
3. Call-out rates for mobile service trucks should be stated in Section 4 Mobile Service. It is understood that these rates will apply in addition to the submitted unit rates for any repairs that may be required.
