### Stage I – Mandatory Requirements

The mandatory requirements for this RFQ are each quotation **must include** a Submission Form (Appendix B) completed and signed by an authorized representative of the respondent. Subject to the Terms of Reference and Governing Law (Appendix C), those quotations that do not satisfy the mandatory requirements as of the Submission Deadline will be disqualified and will not be evaluated further.

### Stage II – Rated Criteria

Stage II will consist of a scoring of quotations on the basis of the following rated criteria:

Criteria Category	Points

D.2 References	20
D.3 Fee Proposal	50

Total Points	100
--------------	-----

In addition to submitting the Submission Form, respondents should include the following information:

**D.1 Experience and Qualifications – Total Points = 30 Points**

Each proponent should provide the following in its proposal:

- (a) a brief description of the proponent;
- (b) a description of the goods and services the respondent has previously delivered and/or is currently delivering, with an emphasis on experience relevant to the Deliverables;
- (c) the roles and responsibilities of the proponent and any of its agents, employees and sub-contractors who will be involved in providing the Deliverables, together with the identity of those who will be performing those roles and their relevant respective expertise;
- (d) a description of how the proponent will provide the Deliverables, which should include a work plan and incorporate an organizational chart indicating how the proponent intends to structure its working relationship with the CVRD.

$$\text{lowest price} \div \text{respondent's price} \times \text{total available points} = \text{respondent's score}$$

**Selection of Top-Ranked Respondent**

Subject to the Terms of Reference and Governing Law (Appendix C), the top-ranked respondent as established under the evaluation will be selected to enter into a contract for the provision of the Deliverables. The respondent selected pursuant to this RFQ process will be informed in writing. Respondents not selected will also be informed in writing. The selected respondent will be expected to enter into a contract within the timeframe specified in the selection notice. Failure to do so may, among other things, result in the disqualification of the respondent and the selection of another respondent or the cancellation of the RFQ.

- (b) No legal obligation regarding the procurement of any good or service shall be created until the CVRD and the selected respondent have entered into a written contract for the Deliverables.
- (c) Neither party shall have the right to make any claims (in contract, tort, or otherwise) against the other with respect to the award of a contract, failure to award a contract or a decision of the respondent to withdraw its quotation.
- (d) The CVRD may cancel this RFQ process at any time.
- (e) Procurements falling within the scope of Chapter 5 of the Agreement on Internal Trade and/or the New West Partnership Trade Agreement are subject to those trade agreements but that the rights and obligations of the parties will be governed by the specific terms of this RFQ.
- (f) The respondent consents to the collection and use by the CVRD of the information as contemplated under this RFQ for the uses contemplated under this RFQ.
- (g) The respondent will bear its own costs associated with, or incurred in, the preparation and presentation of its quotation, including, if applicable, costs incurred for interviews or demonstrations.
- (h) Respondents may direct questions or seek additional information in writing by e-mail to the RFQ Contact on or before the Deadline for Questions. The CVRD is under no obligation to provide additional information but may do so at its sole discretion. It is the responsibility of the respondent to seek clarification from the RFQ Contact on any matter it considers to be unclear. The CVRD is not responsible for any misunderstanding on the part of the respondent concerning this RFQ or its process.
- (i) This RFQ may be amended only by addendum issued in accordance with this section. If the CVRD, for any reason, determines that it is necessary to provide additional information relating to this RFQ, such information will be communicated to all respondents by addendum. Each addendum forms an integral part of this RFQ and may contain important information, including significant changes to this RFQ. Respondents are responsible for obtaining all addenda issued by the CVRD. In the Submission Form (Appendix B), respondents should confirm their receipt of all addenda by setting out the number of each addendum in the space provided.
- (j) When evaluating quotations, the CVRD may request further information from the respondents or third parties in order to verify, clarify or supplement the information provided in the respondent's quotation, and the CVRD may revisit and re-evaluate the respondent's quotation or ranking on the basis of any such information.
- (k) The CVRD may consider the respondent's past performance on previous contracts or any other information considered relevant by the CVRD when determining the acceptability of a respondent.

- (o) The CVRD may prohibit a respondent from participating in a procurement process based on poor past performance or inappropriate conduct in a prior procurement process, including but not limited to (i) illegal and unethical conduct; (ii) the submission of quotations containing misrepresentations or any other inaccurate, misleading or incomplete information, (iii) the refusal of the respondent to honour submitted pricing or other commitments, or (iv) any conduct, situation or circumstance determined by the CVRD, in its sole and absolute discretion, to have constituted an undisclosed Conflict of Interest.
- (p) Respondents may request a debriefing after receipt of a notification of the outcome of the procurement process. All requests must be made in writing to the RFQ Contact and must be made within sixty (60) days of such notification. The intent of the debriefing information session is to aid the respondent in presenting a better submission in response to subsequent procurement opportunities. Any debriefing provided is not for the purpose of providing an opportunity to challenge the procurement process or its outcome.
- (q) The CVRD makes no guarantee of the value or volume of work to be assigned to the successful respondent. The contract with the selected respondent will not be an exclusive contract for the provision of the described Deliverables. The CVRD may contract with others for goods and services the same as or similar to the Deliverables or may obtain such goods and services internally.
- (r) These terms (i) are intended to be interpreted broadly and independently (with no particular provision intended to limit the scope of any other provision); (ii) are non-exhaustive and shall not be construed as intending to limit the pre-existing rights of the parties to engage in pre-contractual discussions in accordance with the common law governing direct commercial negotiations; and (iii) are to be governed by and construed in accordance with the laws of the province of British Columbia and the federal laws of Canada applicable therein.
