## **APPENDIX A – RFQ PARTICULARS**

### **The Deliverables**

The CVRD has owned and operated the Brulette Place Sewer System and treatment plant since 2009 and is located in Mill Bay on Vancouver Island. The current collection system pumps approximately 15 m<sup>3</sup> of raw effluent per day into a 5000 liter pretreatment sludge settling chamber before flowing into the Norweco treatment plant, which is unable to produce Class A effluent as required by the South Sector Liquid Waste Management Plan (SSLWMP).

In order to meet compliance standards as set out by the Ministry of Environment, the CVRD would like to invite qualified proponents to submit quotes for the supply and delivery of a compact MBR packaged sewage treatment plant, utilizing Toray flat plate microfiltration membranes.

The plant must be able to treat up to 30 m<sup>3</sup> per day and produce the following effluent quality requirements:

- BOD - 10 mg/l
- TSS - 10 mg/l
- Fecal Coliform - average 2.2 MPN/100 mL
- Turbidity - average 2 NTU
- Nitrogen - 20 mg/l
- Nitrate - 10 mg/l

The MBR system must also be equipped with an electrical control system capable of operating in both automatic and manual modes with a human-machine interface for monitoring plant performance and operational adjustments.

The successful supplier of the plant must be present for commissioning once the unit is in place and also provide an operational/maintenance manual, engineered drawings and electrical diagrams.

- (b) No legal obligation regarding the procurement of any good or service shall be created until the CVRD and the selected respondent have entered into a written contract for the Deliverables.
- (c) Neither party shall have the right to make any claims (in contract, tort, or otherwise) against the other with respect to the award of a contract, failure to award a contract or a decision of the respondent to withdraw its quotation.
- (d) The CVRD may cancel this RFQ process at any time.
- (e) Procurements falling within the scope of Chapter 5 of the Agreement on Internal Trade and/or the New West Partnership Trade Agreement are subject to those trade agreements but that the rights and obligations of the parties will be governed by the specific terms of this RFQ.
- (f) The respondent consents to the collection and use by the CVRD of the information as contemplated under this RFQ for the uses contemplated under this RFQ.
- (g) The respondent will bear its own costs associated with, or incurred in, the preparation and presentation of its quotation, including, if applicable, costs incurred for interviews or demonstrations.

The CVRD is under no obligation to provide additional information but may do so at its sole discretion. The CVRD is not responsible for any misunderstanding on the part of the respondent concerning this RFQ or its process.
- (i) This RFQ may be amended only by addendum issued in accordance with this section. If the CVRD, for any reason, determines that it is necessary to provide additional information relating to this RFQ, such information will be communicated to all respondents by addendum. Each addendum forms an integral part of this RFQ and may contain important information, including significant changes to this RFQ. Respondents are responsible for obtaining all addenda issued by the CVRD. In the Submission Form (Appendix B), respondents should confirm their receipt of all addenda by setting out the number of each addendum in the space provided.
- (j) When evaluating quotations, the CVRD may request further information from the respondents or third parties in order to verify, clarify or supplement the information provided in the respondent's quotation, and the CVRD may revisit and re-evaluate the respondent's quotation or ranking on the basis of any such information.
- (k) The CVRD may consider the respondent's past performance on previous contracts or any other information considered relevant by the CVRD when determining the acceptability of a respondent.
- (l) The CVRD may disqualify a respondent for any conduct, situation or circumstance that constitutes a Conflict of Interest, as solely determined by the CVRD. "Conflict of Interest" shall have the meaning ascribed to it in the Submission Form (Appendix B).
- (m) Respondents shall not engage in any illegal business practices, including such activities as bid-rigging, price-fixing, bribery, fraud or collusion. - (p) Respondents may request a debriefing after receipt of a notification of the outcome of the procurement process. All requests must be made in writing to the RFQ Contact and must be made within sixty (60) days of such notification. The intent of the debriefing information session is to aid the respondent in presenting a better submission in response to subsequent procurement opportunities. Any debriefing provided is not for the purpose of providing an opportunity to challenge the procurement process or its outcome.

The contract with the selected respondent will not be an exclusive contract for the provision of the described Deliverables. The CVRD may contract with others for goods and services the same as or similar to the Deliverables or may obtain such goods and services internally.
- (r) These terms (i) are intended to be interpreted broadly and independently (with no particular provision intended to limit the scope of any other provision); (ii) are non-exhaustive and shall not be construed as intending to limit the pre-existing rights of the parties to engage in pre-contractual discussions in accordance with the common law governing direct commercial negotiations; and (iii) are to be governed by and construed in accordance with the laws of the province of British Columbia and the federal laws of Canada applicable therein.
