COWICHAN BAY DESIGN CHARRETTE: APRIL 3 - 6, 2018

What is a Design Charrette?

A “charrette” is an intensive planning session where community members, designers and others collaborate on design solutions for a key neighbourhood or area such as Cowichan Bay Village.

Why a Design Charrette?

Cowichan Bay Village is an iconic part of the Cowichan Valley. As a vibrant commercial and social hub that draws visitors and customers in large numbers, the Village has challenges with vehicle parking and “walkability” among other things. The Cowichan Valley Regional District is seeking to coordinate and focus public realm improvement projects in Cowichan Bay Village.

Why Should you Participate in the Design Charrette?

If you enjoy Cowichan Bay Village or have an interest in its progress, it is important that you attend and share your ideas, concerns, and aspirations for Cowichan Bay Village.

Where and When?

All of the events are hosted at the OceanFront Suites at Cowichan Bay, 1681 Cowichan Bay Road, Cowichan Bay.
