

## News Release

FOR IMMEDIATE RELEASE

May 1, 2018

### **Averill Creek Bridge Closed Until Further Notice**

**Duncan, BC** – The Cowichan Valley Regional District wishes to advise users of the Cowichan Valley Trail that starting Tuesday May 1<sup>st</sup>, Averill Creek Bridge will be closed until further notice.

The bridge sustained extensive damage during a recent wind storm and crews will be performing cleanup and replacement work over the next several months.

Averill Creek Bridge connects an 800 metre section of the Cowichan Valley Trail from Drinkwater Road to Johnston Road; this section will not be accessible during the closure and all users are advised to follow the bypass route from Drinkwater Road to Johnston Road via Somenos Road. Please obey all local traffic patterns during this closure.
