Regarding Shawnigan Lake Village Playgrounds

The CVRD is inviting resident input on the future of playgrounds at parks within the Shawnigan Lake Village community. Four parks (Elsie Miles Park, Old Mill Park, Galland Park and Gibsons Park) around the village have playgrounds, most of which are now at or approaching end of service use. Decisions are required to establish direction, replacement priorities and funding for these playgrounds that best serve the overall Village community for years to come.

You are encouraged to drop in share your thoughts and ideas on types of play apparatus for children of all ages and be part of the process on determining the future of playgrounds for the Shawnigan Lake Village community.
